

CANCER

Sufferers from this horrible malady nearly always inherit it—not necessarily from the parents, but may be from some remote ancestor, for Cancer often runs through several generations. This deadly poison may lay dormant in the blood for years, or until you reach middle life, then the first little sore or ulcer makes its appearance—or a swollen gland in the breast, or some other part of the body, gives the first warning.

To cure Cancer thoroughly and permanently all the poisonous virus must be eliminated from the blood—every vestige of it driven out. This S. S. S. does, and is the only medicine that can reach deep-seated, obstinate blood troubles like this. When all the poison has been forced out of the system the Cancer heals, and the disease never returns.

Cancer begins often in a small way, as the following letter from Mrs. Shirer shows:

A small pimple came on my jaw about an inch below the ear on the left side of my face. It gave me no pain or inconvenience, and I should have forgotten about it had it not begun to inflame and itch: it would bleed a little, then scab over, but would not heal. This continued for some time, when my jaw began to swell, becoming very painful. The Cancer began to eat and spread, until it was as large as a half dollar, when I heard of S. S. S. and determined to give it a fair trial, and it was remarkable what a wonderful effect it had from the very beginning; the sore began to heal and after taking a few bottles disappeared entirely. This was two years ago; there are still no signs of the Cancer, and my general health continues good. Mrs. R. S. Shirer, La Plata, Mo.

S. S. S. is the greatest of all blood purifiers, and the only one guaranteed purely vegetable. Send for our free book on Cancer, containing valuable and interesting information about this disease, and write our physicians about your case. We make no charge for medical advice.

Many persons have had the experience of Mr. Peter Sherman, of North Stanford, N. H., who says: "For years I suffered tortures from chronic indigestion, out Kodol Dyspepsia Cure made a well man of me." It digests what you eat and is a certain cure for dyspepsia and form of stomach trouble. It gives relief at once even in the worst cases, and can't help but do you good. W. T. Brooks.

Don't use any of the counterfeits of DeWitt's Witch Hazel Salve. Most of them are worthless or liable to cause injury. The original DeWitt's Which Hazel Salve is a certain cure for piles, eczema, cuts, scalds, burns, sores and skin diseases. W. T. Brooks.

When the stomach is tired out it must have a rest, but we can't live without food. Kodol Dyspepsia Cure "digests what you eat" so that you can eat all good food you want while it is restoring the digestive organs to health. It is the only preparation that digests all kinds of food. W. T. Brooks.

The most effective little liver pills made are DeWitt's Little Early Risers. They never gripe. W. T. Brooks.

DeWitt's Little Early Risers are dainty little pills, but they never fail to cleanse the liver, remove obstructions and invigorate the system. W. T. Brooks.
